

To members of the Shellfish and Benthos Committee
Friday, at 9.00

Re. Doc. C.M.1976/K:8

Abstracts of 2 papers submitted by J Mason to the Scallop Working Group should be included in the report by D Minchin submitted to the Shellfish and Benthos Committee:

"The Scottish scallop fishery"

"Studies on the behaviour of Pecten maximus and Chlamys opercularis" with reference to gear efficiency"
